

## UNDER FLOOR WARMING SYSTEM Warranty

ThermaRay Inc. warrants that each Radiant Ceiling Heating Panel is free from defects in material and workmanship and does not require maintenance, after proper installation as herein provided, for twenty (20) years. If a panel fails to satisfy this warranty, ThermaRay Inc. will replace the panels subject to conditions hereinafter set forth. This does not cover shipping or installation costs.

### CONDITIONS OF WARRANTY

- 1) This warranty is void as to any panel:
  - a) For which a duly completed Warranty Registration form has not been filed with ThermaRay Inc. within ninety (90) days of the purchase of the Panel.
  - b) Installed other than in strict accordance with instructions provided by ThermaRay Inc. and all applicable codes and regulations, or is installed by other than a duly licensed electrician.
  - c) That has been operated at an excessive voltage.
  - d) Abused or damaged in any way at any time after delivery to the purchaser or purchaser's representative.
  - e) Installed in a building or structure thereafter moved and such building or structure was not originally designed and built to be moved or if the building is converted to non-residential use.
  - f) If the owner of the building or structure in which the Panel is located shall fail to notify ThermaRay Inc. of the Warranty claim within sixty (60) days of the failure of the Panel.
- 2) The filing of a warranty claim pursuant to 1 (f) authorizes but does not oblige ThermaRay Inc. or a representative to inspect the Panel and the manner of installation and to remove and replace the panel, and to repair the affected area.
- 3) Notwithstanding any other provision of this warranty or any applicable statutory provisions, ThermaRay Inc. or any of its officers, employees, agents or representatives shall not under any circumstances be liable to the purchaser for

special or consequential damages or damages for breach of any express or implied warranty on this product.

- 4) This warranty does not cover misuse, shipping damage or use for purposes other than those intended.
- 5) The warranty applies only to the original owner. The warranty is not transferable.
- 6) The foregoing warranty is in lieu of all any implied warranty of merchantability, fitness for a particular non-infringement, and of any other obligation on the part of ThermaRay.
- 7) No employee or representative of ThermaRay Inc. has any authority to amend this warranty or to assume any additional obligation or liability on ThermaRay Inc.'s behalf.
- 8) This warranty shall be governed by and construed in accordance with the laws of the Province of New Brunswick. Any provision of this warranty that is prohibited or unenforceable in any jurisdiction, be served from this warranty without affecting the validity or enforceability in that jurisdiction of the remaining provisions.

Subject to the foregoing, this warranty begins on the date of original installation of a panel.
