

ARCHITECTURAL SERIES SYSTEM Warranty

ThermaRay Incorporated warrants that each Architectural Series Heating Panel is free from defects in material and workmanship as herein provided for ten (10) years on the electrical operation of the panel. If a panel fails to satisfy this warranty, ThermaRay Incorporated will replace the panels subject to conditions hereinafter set forth. This does not include shipping or installation.

CONDITIONS OF WARRANTY

1. This warranty is void to any panel:
 - a. For which a duly completed warranty registration form has not been filed with ThermaRay Incorporated within ninety (90) days of the purchase of the panel.
2. This warranty is void as to any panel:
 - a. If installed other than in strict accordance with instruction provided by ThermaRay Incorporated and any and all applicable codes and regulation.
 - b. That has been operated at an excessive voltage.
 - c. Abused or damaged in any way at any time after delivery to the purchaser or purchaser's representative.
 - d. If the owner/purchaser fails to notify ThermaRay Incorporated of the warranty claim within sixty (60) days.
3. The filing of a warranty claim pursuant to 1 (D) authorized, but does not oblige, ThermaRay Incorporated or a representative to inspect the panel and the manner of installation, to remove and replace the panel.
4. Notwithstanding any other provision of this warranty or any applicable statutory provisions, ThermaRay Incorporated shall not under any circumstances be liable to the purchaser for special or consequential damages or damages for breach of any express or implied warranty on this product.
5. This warranty does not cover misuse, shipping damage or use for purposes other than those intended.
6. Proof of purchase is necessary including date of purchase.

Subject to the forgoing, this warranty begins on the date of the original installation of a panel and extends for ten (10) years on the electrical operations of the panel.
